Student number: 300331845

Dear Franca Chinemere Obasi,

Congratulations! We are pleased to inform you that you have been admitted to the University of Ottawa in the:

**Honours Bachelor of Science
in Statistics
2023 Fall Term
Offered in English**

We ask that you carefully read this offer and respond by the prescribed deadline in order to secure your place in the program.

The Faculty of Science enjoys a sterling reputation for teaching and research. Many of our professors are internationally renowned. Your decision to join our faculty means that you will be taught by professors unequalled in their fields, who link research directly to teaching. Your training and your success are our priorities which is why we offer a wide range of services that will enhance your chances of success and allow you to exploit your full potential. Knowledge is only one part of the equation; we also want to sharpen your sense of judgment and independent thought. You won't be sorry you chose us.

We believe that the role of universities is not only to impart knowledge, instill discipline and teach people how to learn, but also to encourage students to question and improve the world around them. If together we achieve these objectives, you will be able to contribute throughout your career to the betterment of society. And that, after all, is why we are here.

The University guarantees you a room in residence. In order to hold your room, follow the instructions on the [Housing Portal](#) and be sure to pay the housing deposit by the deadline.

We will send you more information on course enrolment once you have accepted your offer of admission.

If you have any questions regarding this offer or about the University of Ottawa, do not hesitate
