A muscular man with dark skin and short hair, wearing a white and yellow high-tech suit, stands against a dark blue background. He is holding a glowing green orb with a white grid pattern in his right hand. The text 'SYNOPSIS' is overlaid on the image.

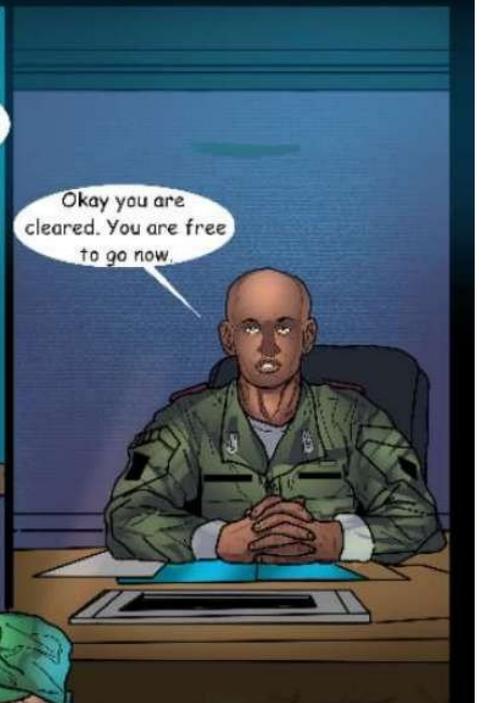

SYNOPSIS

Jason ihe a.k.a Fountain lives in a world where superhumans known as magilects and evolects exists.

A great ancient power known as the AnyuAnyu awakens after centuries and becomes a threat to our present world.

Abia starts.
Mr & Mrs The's residence.

You are right but with my powers growing even more i've had a change of heart.

I think i want to use my powers to help the world outside of the military.

Are you sure about leaving the military? You loved being there.

I understand. Your mom and i are moving to America soon since you are no longer in the military you can move with us.

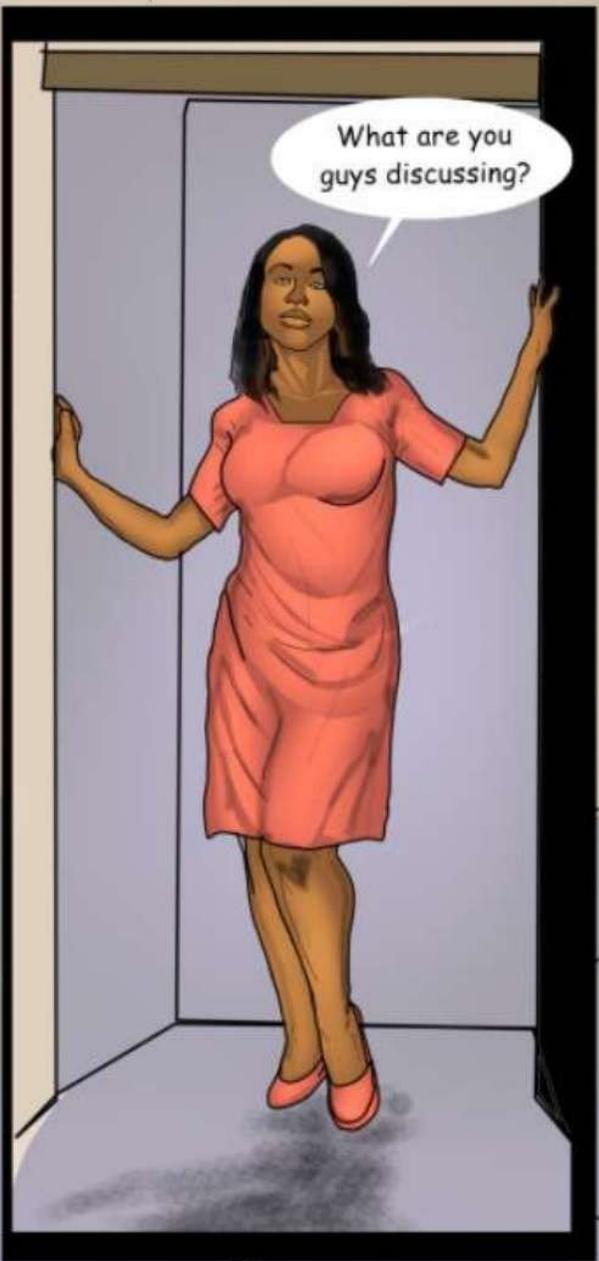

I think i want to stay in Africa dad.

I see you have made up your mind about many things.

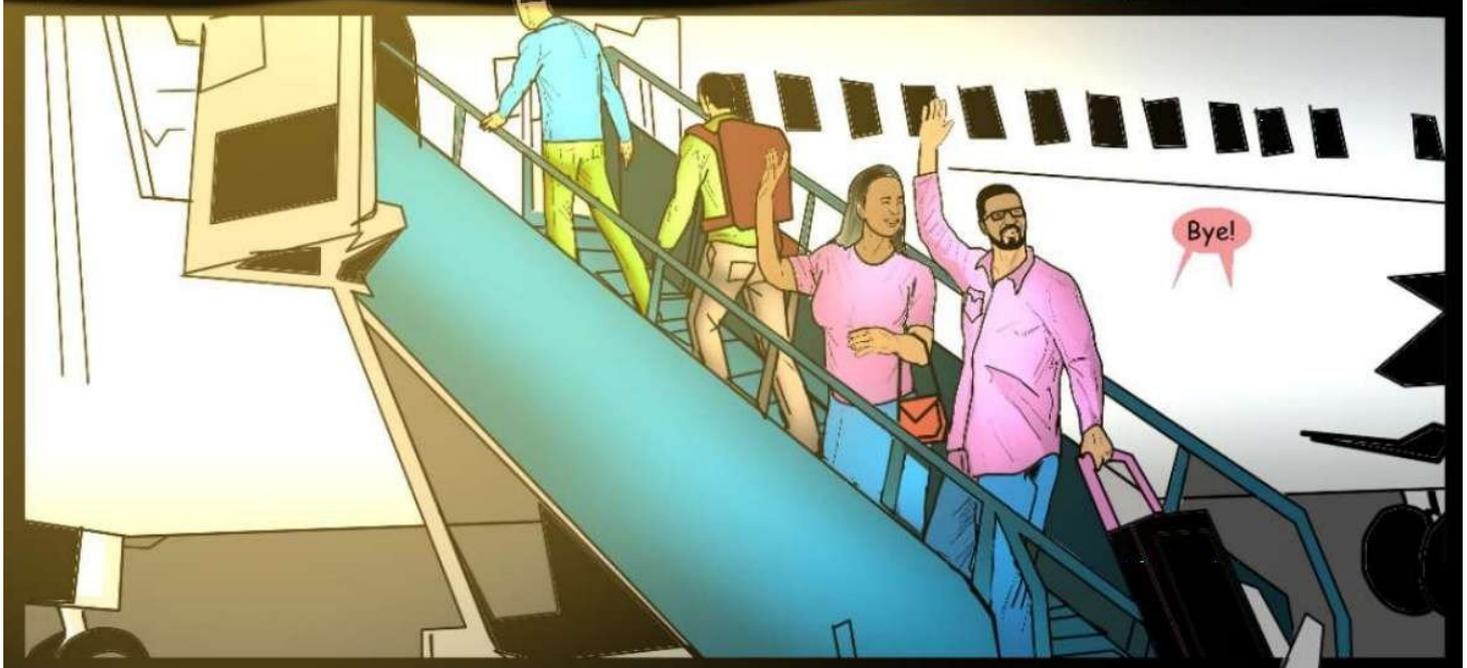

But you know you no longer have a job now. What do you plan on doing?

ABUJA INTERNATIONAL AIRPORT

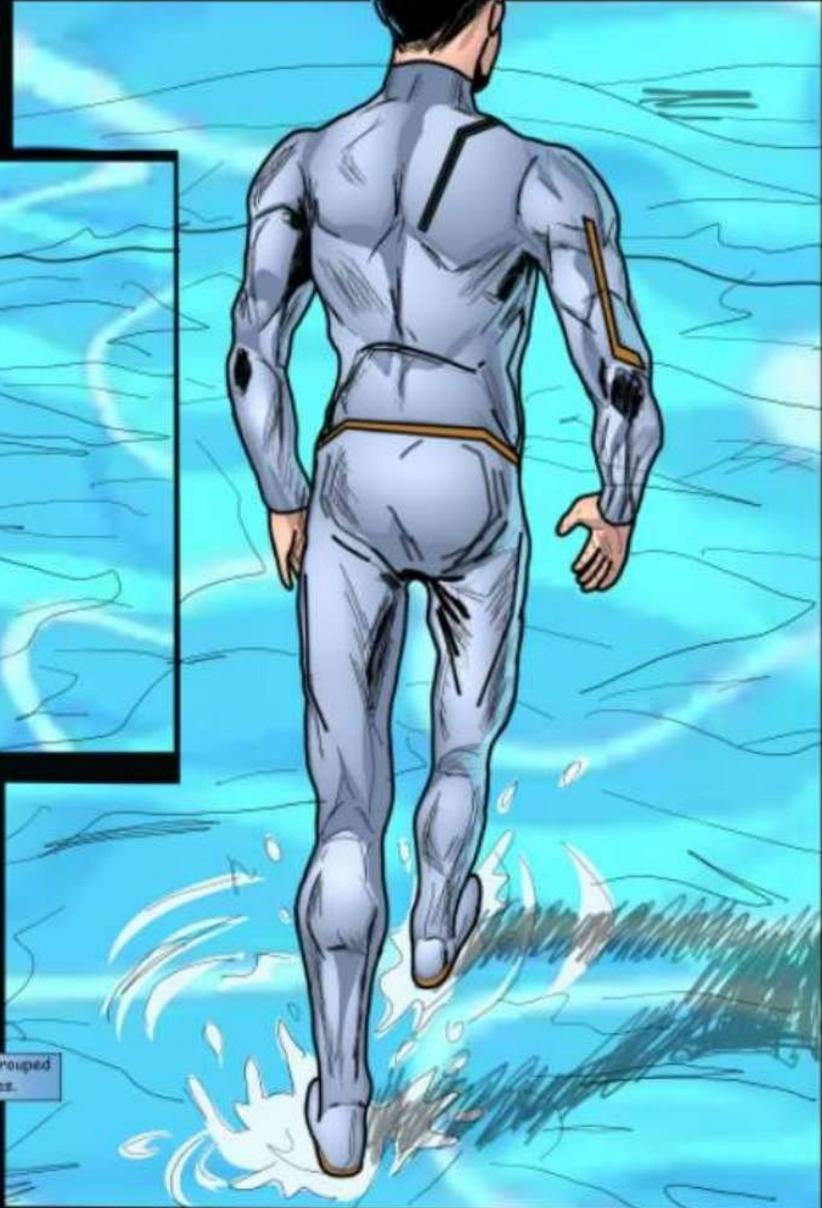

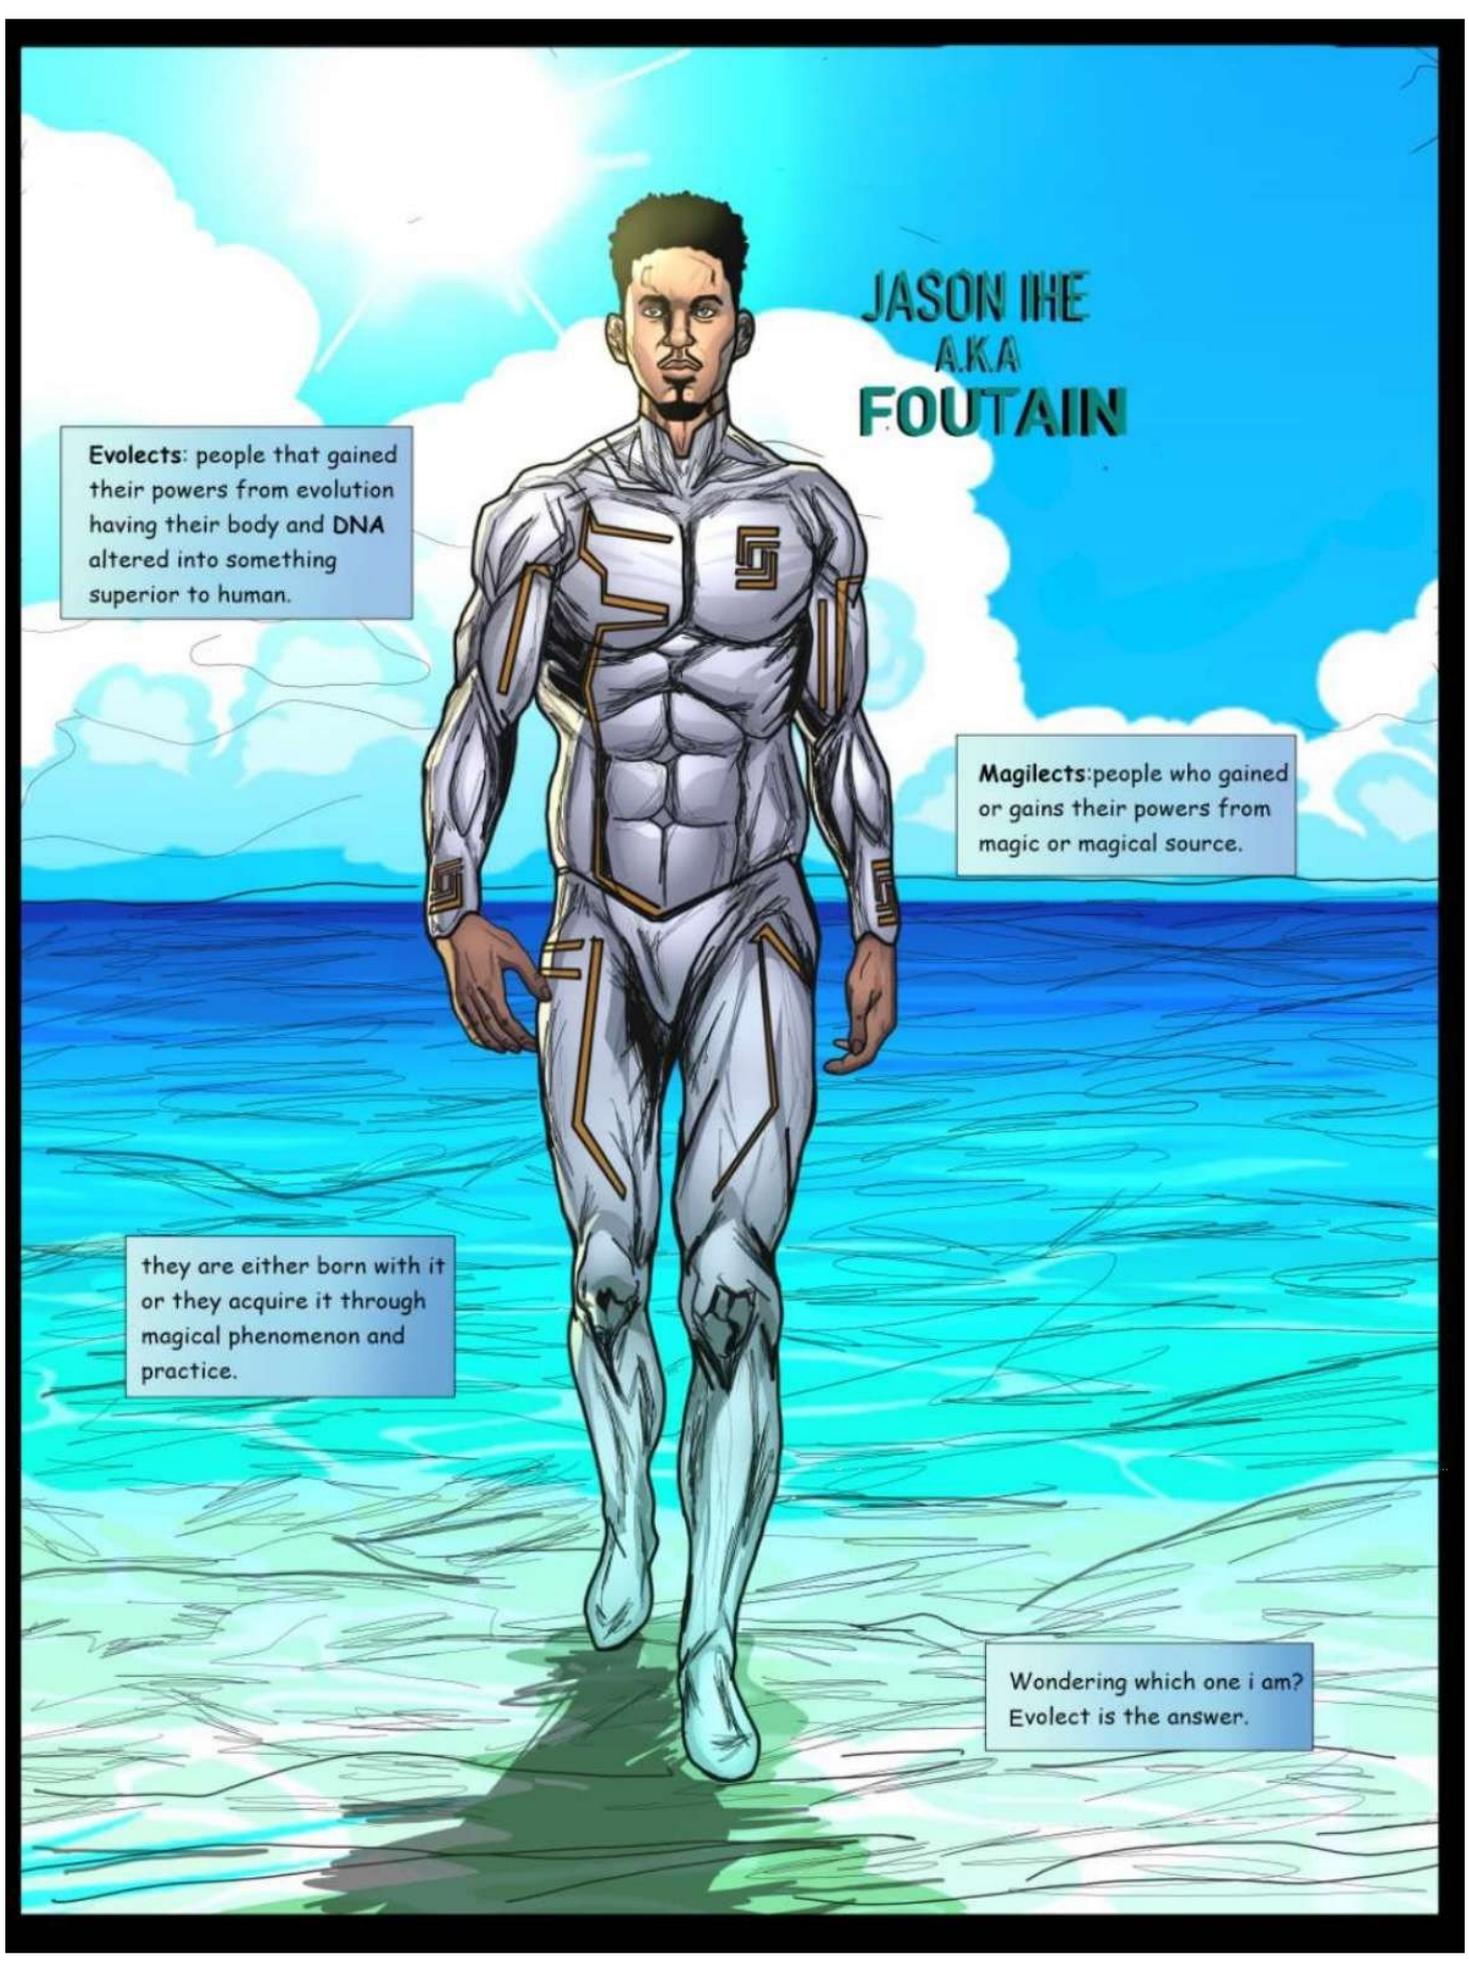

my name is Jason ihe

I live in a world where there are people with superpowers.

these people are grouped into 2 categories.

FOUNTAIN

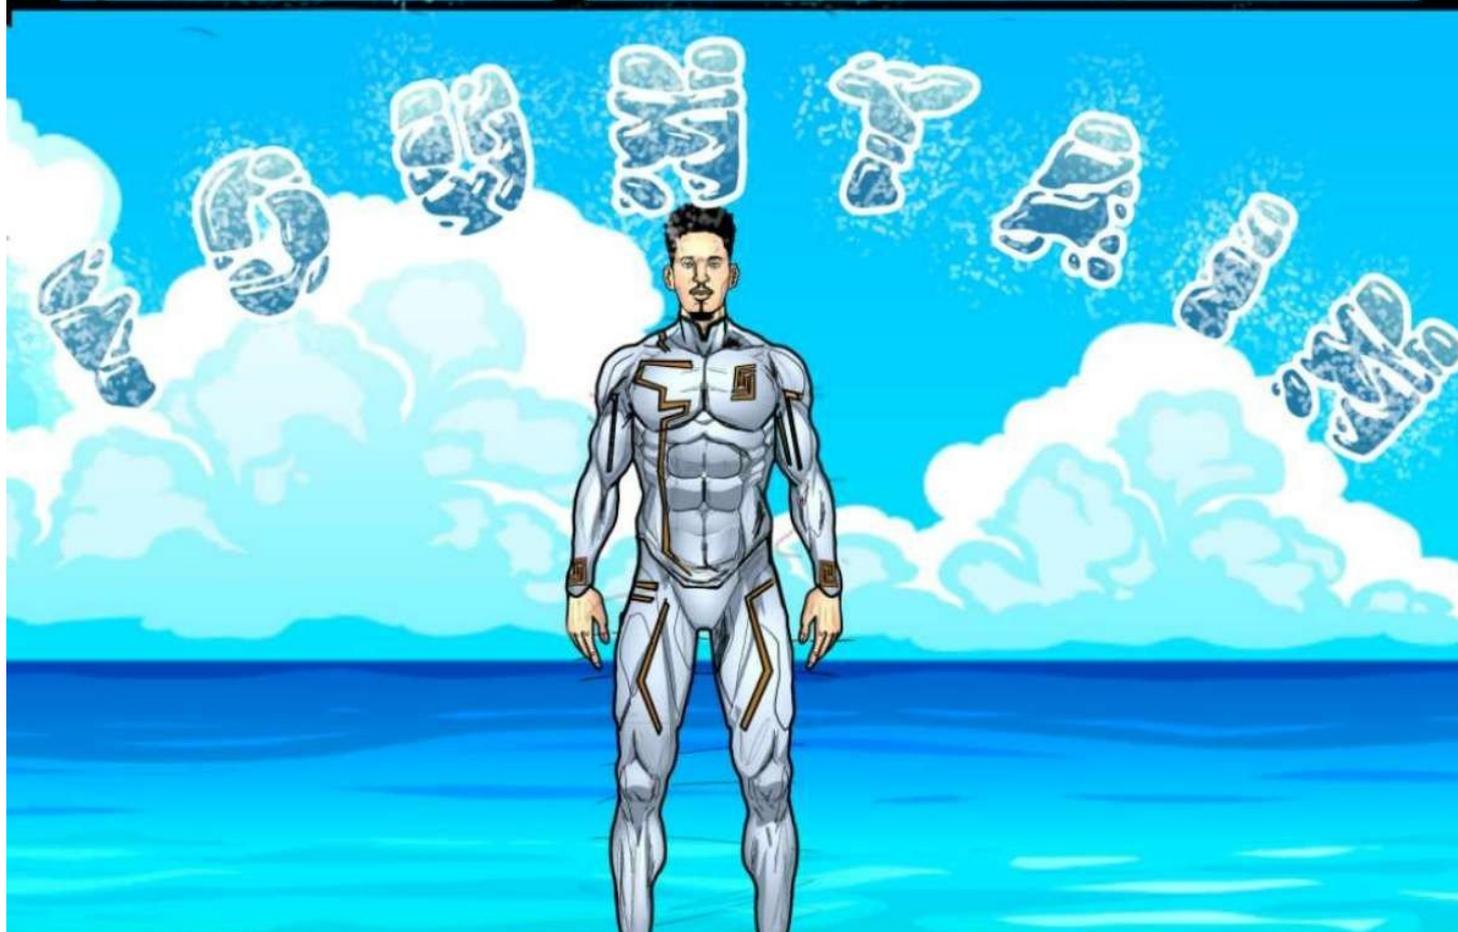

Evolects: people that gained their powers from evolution having their body and DNA altered into something superior to human.

Magilects: people who gained or gains their powers from magic or magical source.

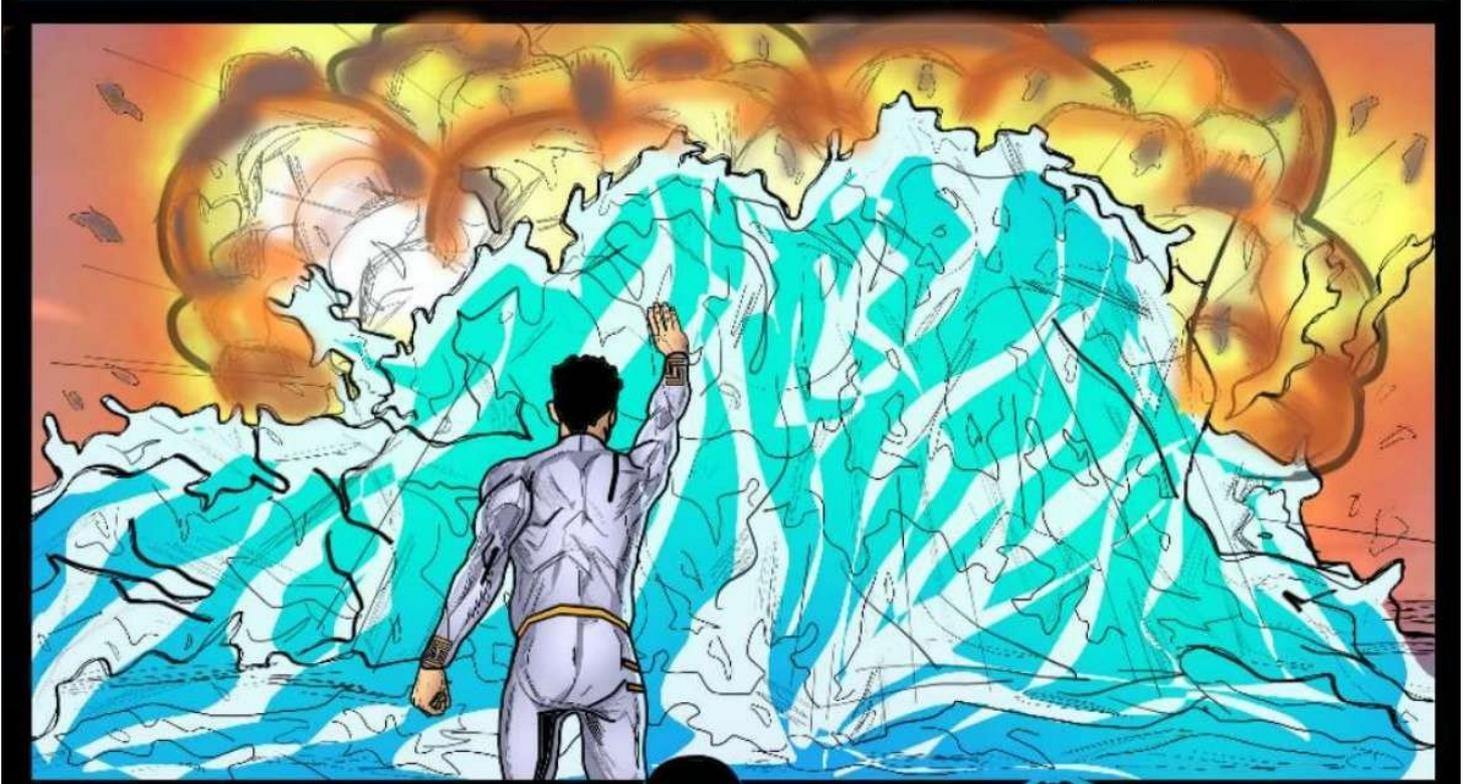

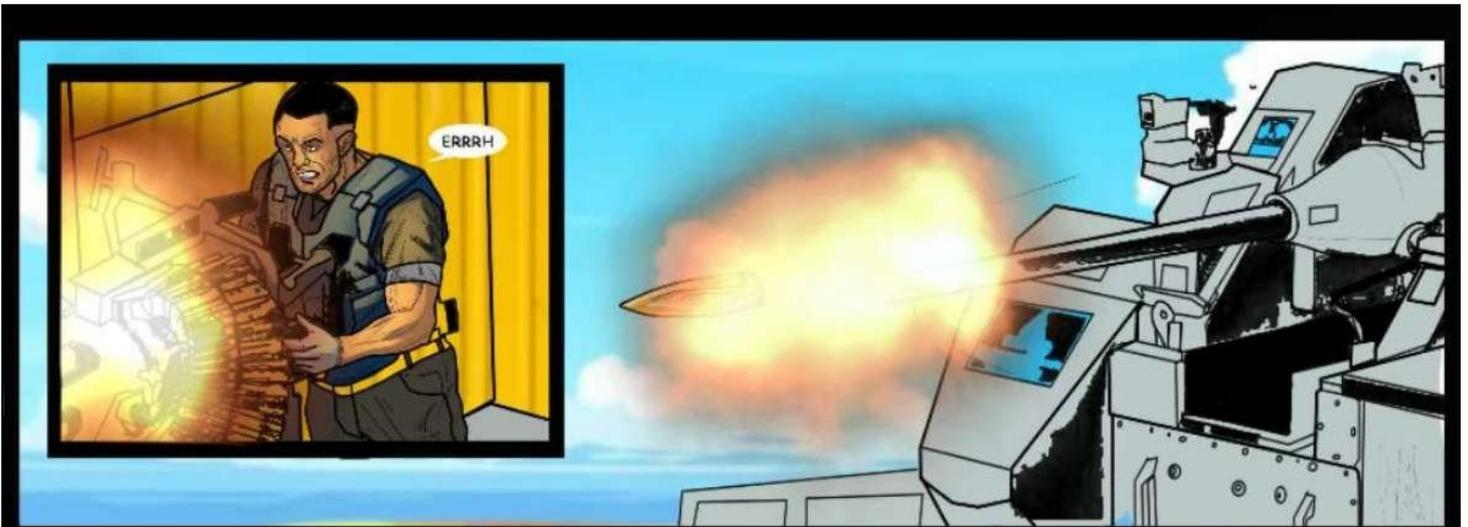

they are either born with it or they acquire it through magical phenomenon and practice.

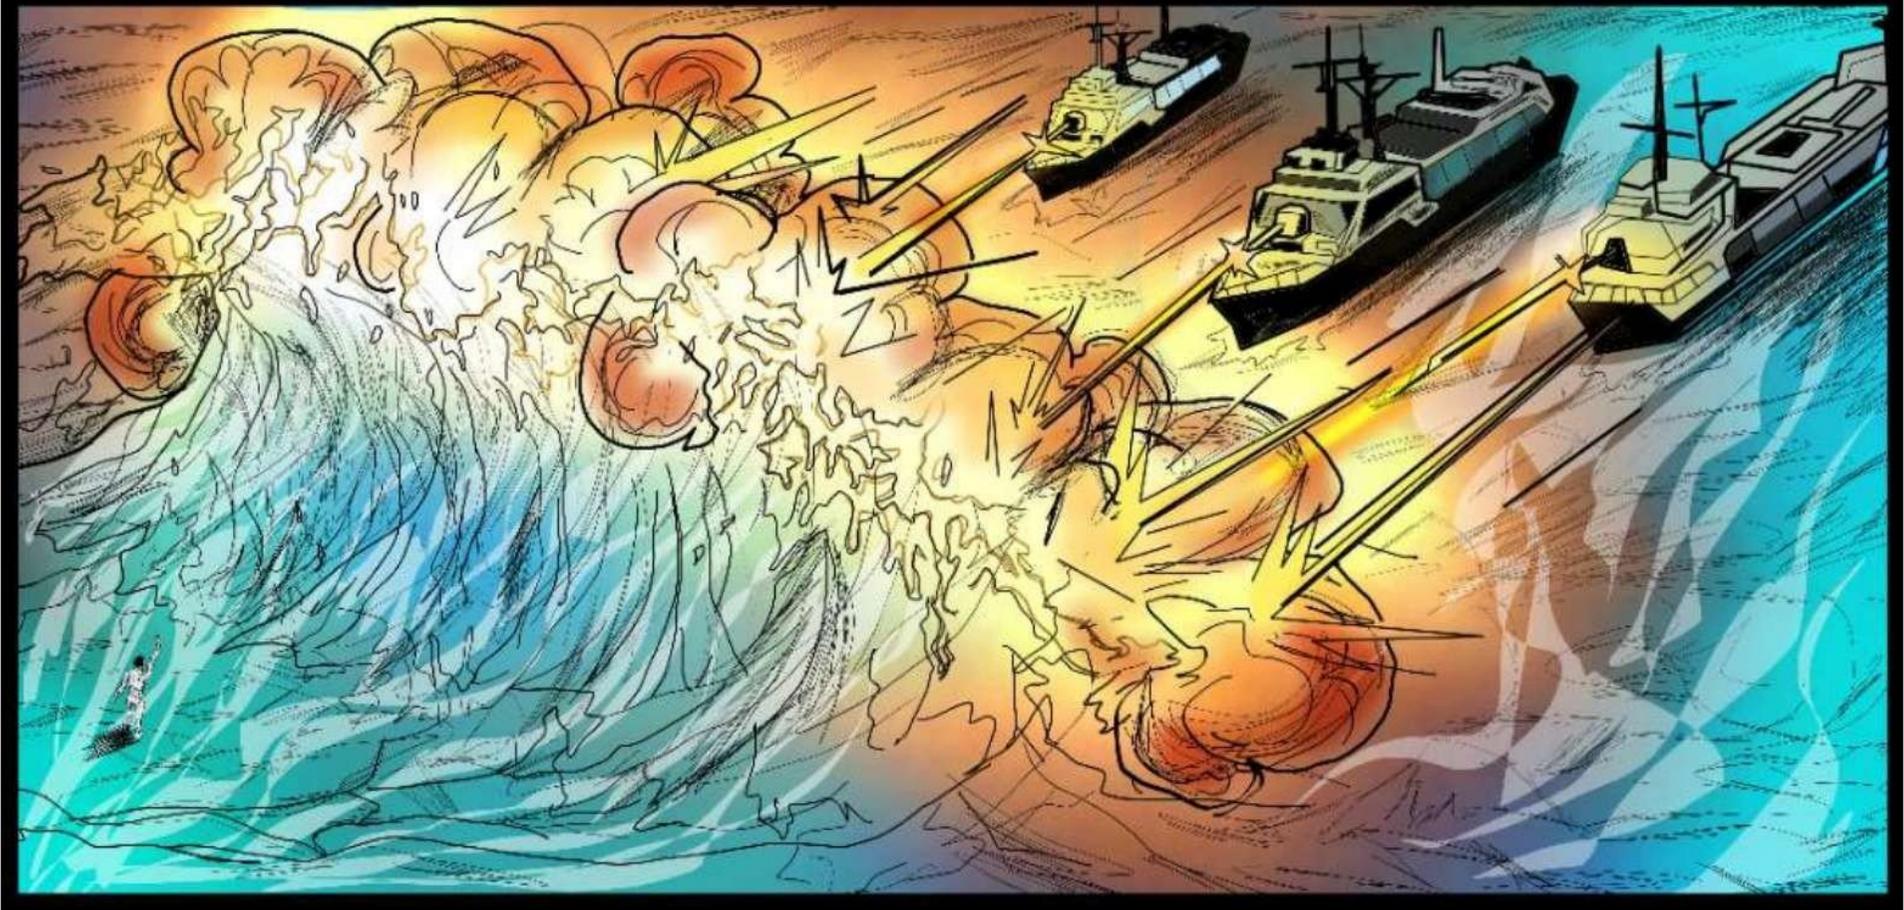

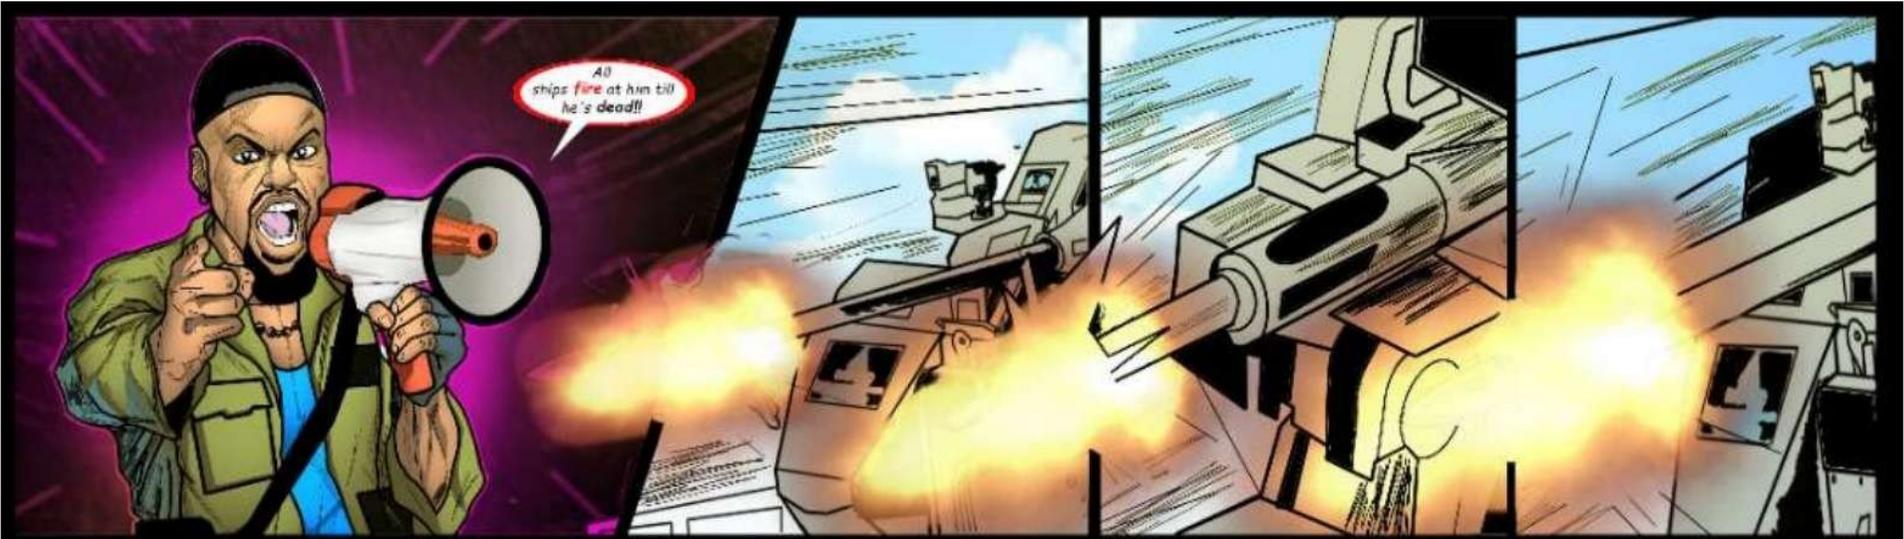

Wondering which one i am?
Evolect is the answer.

NATIONAL MUSEUM, Abuja

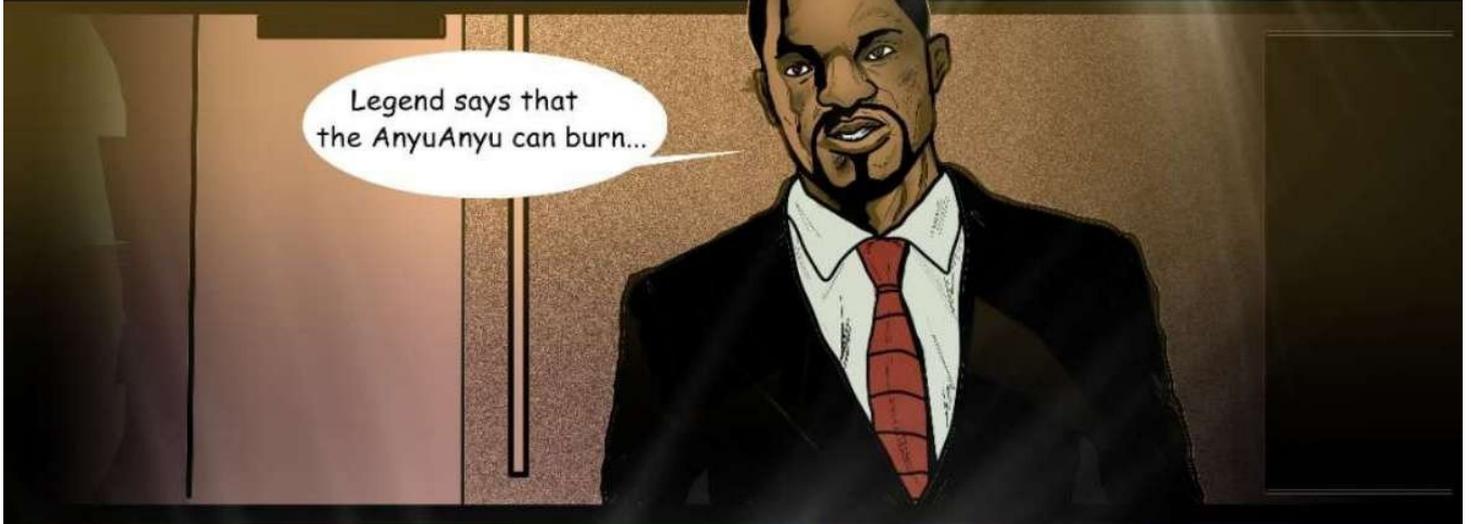

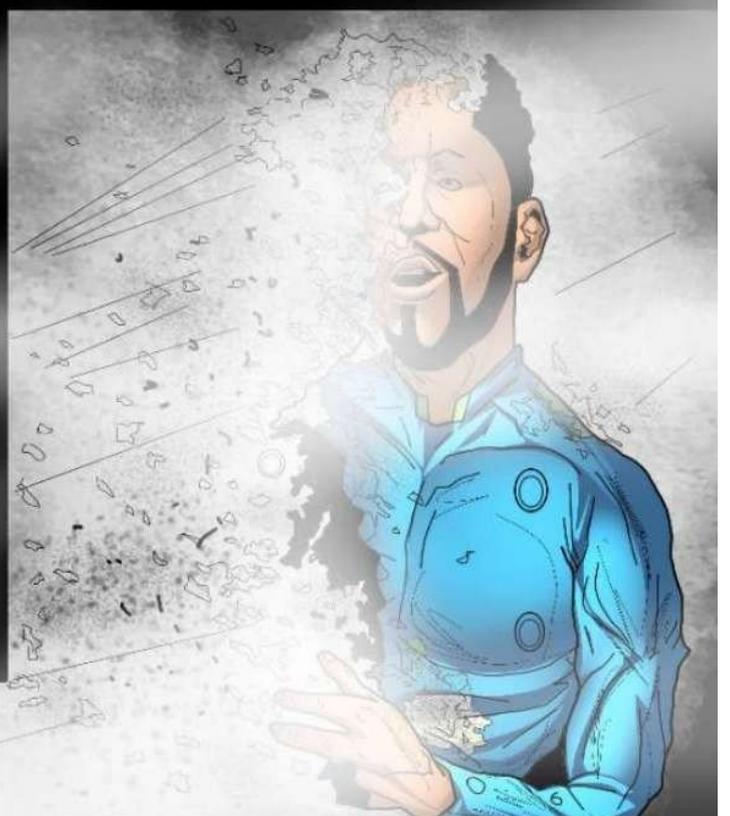

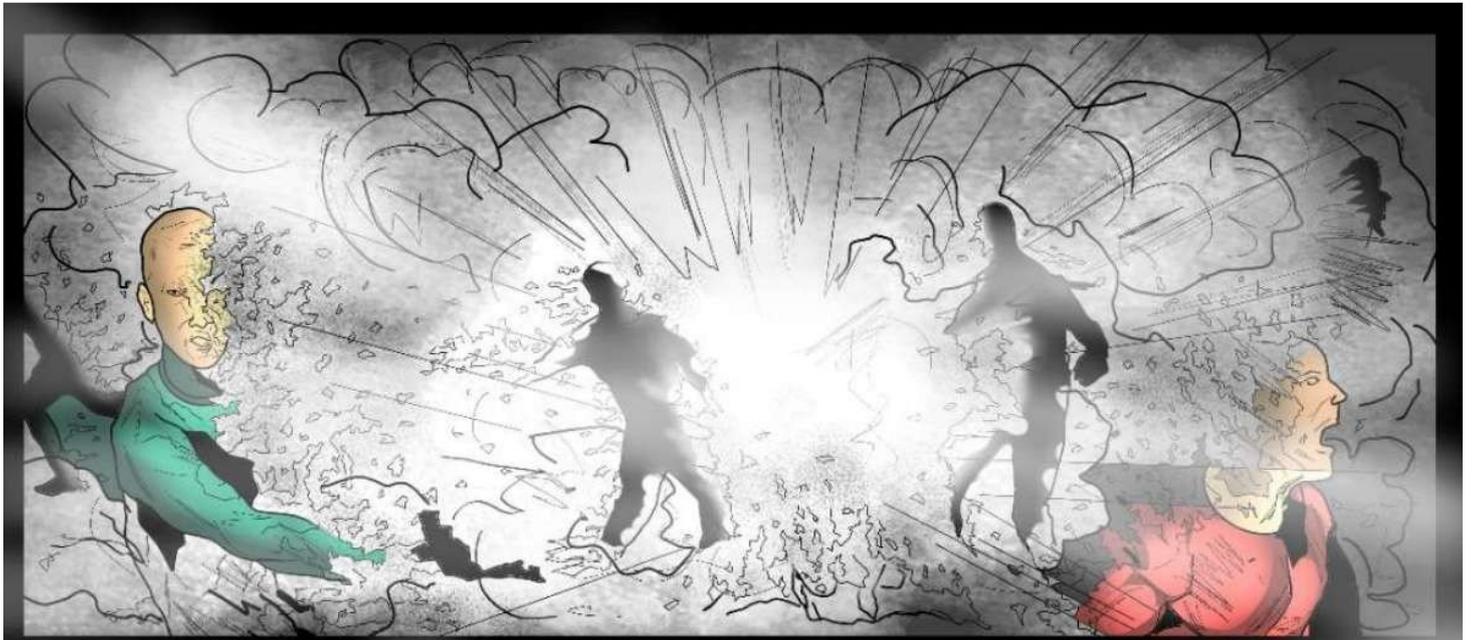

The AnyuAnyu is known as the eternal flame that doesn't need anything to stay ignited.

It has been for thousands of years before many discovered and yet it's flame can't be kindled.

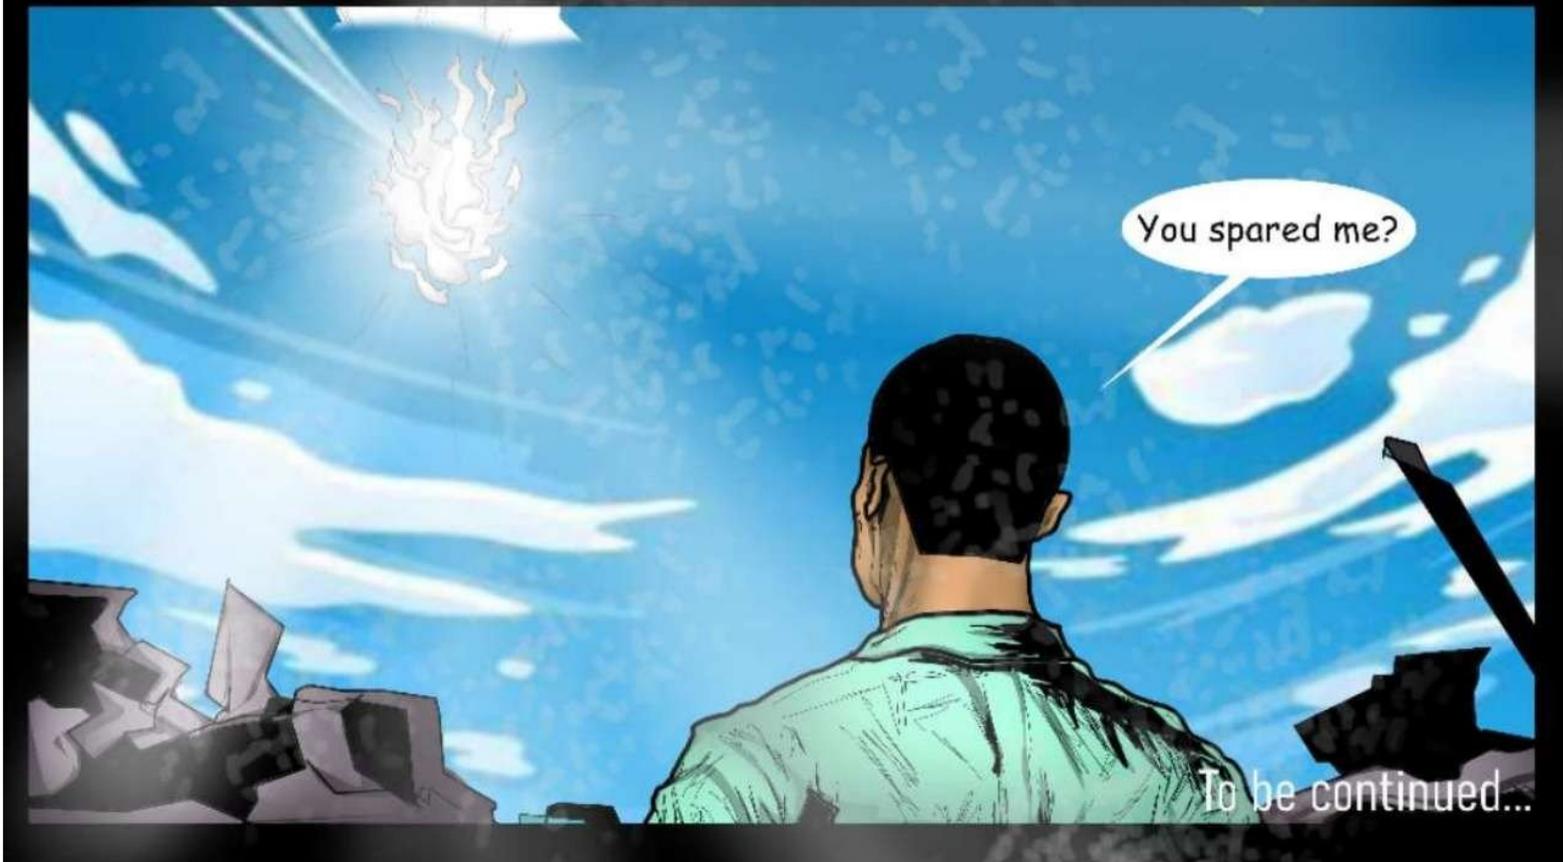

My god!

You spared me?

To be continued...
